BRACELETS

PRINT OPTIONS

For an accurate result, make sure that "NONE" is indicated in "Print Options" in the "Print Format" dialog box. The Measurement sheet of Morellato bracelets must be printed in A4 format.

To verify that the Measurement sheet of the Morellato Sizer has been printed correctly, take a ruler and measure the example below: its length must be exactly 2 cm.

HOW TO USE THE SIZER

- 1) Cut out the Morellato Sizer following the external lines. Next make a small cut on the wide end of the Sizer, along the dotted line.
- 2) At this point insert the narrow end of the meter into the opening, keeping the numbered side on the outside.
- 3) Wear the Morellato Sizer like a bracelet, pull the tab until it is the correct size for you.
- 4) The number indicated in correspondence of the opening represents the size of your bracelet.
